MWI Veterinary Supply Partners with Hill's Pet Nutrition Inc. to Provide Home Delivery

MERIDIAN, Idaho (September 21, 2010) – MWI Veterinary Supply® today announced an affiliation with Hill's Pet Nutrition, Inc., a subsidiary of Colgate-Palmolive Company, that will take effect October 1, 2010. Through this new affiliation, MWI will provide home delivery of the full line of Hill's® Prescription Diet® pet food products and top selling products from the Hill's Science Diet® line to Vetstreet™ Home Delivery Subscribers.

"Our Vetstreet pharmacy customers frequently request Hill's portfolio as part of their home delivery pharmacy, and we are excited to announce that MWI will now offer this line of products." said Jim Cleary, MWI president and CEO.

By utilizing MWI's veterinary-supportive home delivery business model, Hill's will expand its reach to veterinarians and pet owners. "We are proud to partner with MWI because it enables Hill's Science Diet and Hill's Prescription Diet pet foods to reach to both veterinarians and consumers directly, faster," said Scott Smith, vice president of customer development at Hill's.

MWI is a leading distributor of animal health products to veterinarians across the United States of America and United Kingdom. Products MWI sells include pharmaceuticals, vaccines, parasiticides, diagnostics, capital equipment, supplies, veterinary pet food and nutritional products. We market these products to veterinarians in both the companion animal and production animal markets. For more information about MWI, please visit our website at www.mwivet.com.
